REQUEST FOR CORRECTED NOTICE OF ALLOWABILITY

The Notice of Allowability indicates that “none” of the certified copies of the priority documents have been received by the U.S. Patent and Trademark Office. This is incorrect.

The Notice of Acceptance mailed by the U.S. Patent and Trademark Office indicates that the priority documents were provided by the International Bureau. Also, Examiner Kim, in previous Office Action Summary sheets indicated that the certified copies of the priority documents were received.

It is believed that the Notice of Allowability indicating that “none” of the certified copies is a mere typographical error.

SUGIHARA et al.
Application No. 10/560,907

Applicants thus request a corrected Notice of Allowability indicating that the copies of the certified copies of the priority documents have been received in this national stage application from the International Bureau (PCT Rule 17.2(a)).

Respectfully submitted,

NIXON & VANDERHYE P.C.
